

**SAFE
HOSPITALITY**

The Safe Hospitality program is aimed at helping owners, management and workers access the resources and training they need to work safely.

As a member of the MRFA, take advantage of our resources:

Complimentary Consulting Services:

- Assistance with legislative compliance (safety policies, programs and training)
- Assistance with self-assessments (job hazard analysis, workplace inspection)
- Workplace health and safety committee support

Complimentary Print Materials and Resources:

- Video lending library
- Safe Operating Procedure information sheets
- SAFE Hospitality posters

Online Resources: www.safehospitality.com

- Downloadable information sheets, industry links, and self assessment tools
- Quarterly ENews, updates on the program related news
- WHMIS resources
- Young worker resources

Responsible Alcohol Service Program:

- It's Good Business Responsible Service and Safety Certification (Manitoba's Responsible Alcohol Service Program)

In-House Training Sessions:

- Workplace health and safety training sessions
- It's Good Business Responsible Service and Safety server/manager certification

Upgrade your safety program, and we will feature your business in our quarterly ENews and on our website!
