

## Employer Direct Recruitment

Are you finding it tougher to attract and retain high quality employees? Through consultation with our membership, your MRFA team has listened and we are in consultation with various employment firms to attract higher quality candidates with a flair for our industry.

One program we are looking into is the MPNP. The Manitoba Provincial Nominee Program (MPNP) assists Manitoba employers to attract and retain the workers they need to meet labour market shortages. There are a variety of recruitment options to meet the immediate and long-term needs of your business including Employer Direct Recruitment.
